Lamplighter Brewing Co.

April 16, 2021

Who We Are: A brewery and taproom located in downtown Cambridge, focused on quality, creativity, community, and craft. Our products include aroma- and flavor-driven beers, with an emphasis on New England IPAs, barrel-aged sours, and special seasonals. We never shy away from funk, twists on tradition, and unique ingredients, and we are a collaborative, passionate, and fun-loving team.

The Position: Lamplighter FOH staff are responsible for providing a friendly and efficient experience at the retail counter, keeping the taproom clean and organized, and helping out on facility tasks in whatever way is necessary. They are in charge of discussing beers and operations with customers, keeping the retail area stocked, and helping to open and close the space each day. New staff will be trained to have a working knowledge of general beer and brewing, and a suitable understanding of Lamplighter's history, operations, policies, and procedures. Qualified staff may be promoted to the beer garden, or to bartend when the taproom reopens.

No experience required

- ***Starting Wage:*** \$9/hr + tips (~\$20/hr expected total wage)
- ***Start Date:*** Flexible - Full Time position, must be available weekends
- ***Application Instructions:*** Please send a resume, contact info, and a cover letter introducing yourself to jobs@lamplighterbrewing.com

Hiring Mission: Lamplighter is committed to being an equal opportunity employer at all levels of our organization. It is our mission to:

- ***Hire*** passionate and innovative individuals with a diverse set of backgrounds and experiences and a shared enthusiasm for hospitality, beer, and brewing
- ***Create*** a work atmosphere that fosters teamwork, creativity, quality, respect, fun, and love of learning while staying conscious of long-term community goals
- ***Communicate*** in a fair, respectful, and candid manner with all the employees and customers that comprise our community
