## WE LOVE LOCAL

We are committed to supporting farms and producers who emphasize sustainable, equitable, and humane business practices, and we shop small and local whenever possible. We are in support of happier and healthier animals, people, and communities!

## IN MORE OF A B.Y.O. MOOD?

That's cool too! You're always welcome to bring your own food, or order in from one of your favorite local restaurants. Ask our staff for recommendations :)

*before placing your order, please inform your server if a person in your party has a food allergy. this is a small kitchen and while we take steps to minimize risk, we cannot prevent all possible cross contamination of ingredients*
